What is Pre-Company

We will be growing our Company performance group starting this next season and are inviting current MCDM dancers between the ages 6–11 that we feel would be a good fit for it! Your dancer stands out and we would love to foster their love and joy for dance, performance, leadership, and creativity! Our Pre-Company Performance Group will be a lower commitment program AND lower cost that still gives them a deeper experience of the Performing Arts world. This is a great way to test the waters if you are thinking about Company in the future!
